

**APPENDIX 4/ Figure 4:**

Placebo corrected mean QTcF interval change to baseline in ms versus ECG time points for dose group 1 (red line) and dose group 2 (black line).

V2 = single dose segment (dose group 1 only)  
V3 = multiple dose segment for eight days  
D1 = Day 1  
D8 = Day 8  
P = Placebo  
T = active treatment  
G1 = dose group 1  
G2 = dose group 2
