## IMPORTANT NOTICE

Dear Sir or Madam,

due to a recent customer complaint regarding the:

Episiotomy scissors according to Waldmann, 180 mm, single Use

Artikel-Nr. 002-011-1050

Lot-Nr. 1111

**may no longer be used with immediate effect.**

**Prohibited is any resale: sterile once packaged, as well as in a treatment unit or system.**

Please immediately separate and mark (lock) all existing scissors in your warehouse and/or sales area.

Please immediately inform all your (end) customers and users of this measure.

Please fill out the enclosed return slip with the available quantity of the affected items and send them to us immediately.

We will arrange the collection of the items immediately after receipt of the return bill.

If there are no more affected articles in stock, we also ask you to inform us.

Thank you for your cooperation

We apologize for the inconvenience caused

With kind regards

Your GS- Instruments Team
