Urgent Field Safety Notice - Urgent Medical Device Recall "Name of the Product"

Dear «Users_Name»,

Boston Scientific Corporation (BSC) is initiating a removal of specific lots/batches of Captivator and Captiflex polypectomy snares. BSC has noted a potential inability to cut and remove polyps for these lots/batches. No other Captivator or Captiflex snares are impacted by this removal.

The most common potential consequences related to the snares not performing as intended would be a prolonged procedure duration, tissue damage and/or self-limited bleeding. The most severe potential injury would include immediate or delayed hemorrhage and/or perforation requiring intervention up to and including open surgery; the likelihood of these severe injuries occurring is remote and, to date, have not been reported as a complaint. The potential inability to cut may also lead to inadequate removal of target tissue.

Our records indicate that your facility received some of the concerned product. **The table below provides a complete list of all affected products**, including Product Description, Material Number (UPN) and Lot/Batch numbers and expiry date. Please note that **only the devices listed below are affected. No other Boston Scientific product is involved in this Field Safety Notice.**

Further distribution or use of any remaining product affected by this action should cease immediately.

PLEASE NOTE: We are aware that hospitals often remove products from the outer carton and store on the shelves in the inner-pouch only. If this is a practice at your facility, **it is very important that you carefully use the product table and consider both the inner and outer packaging UPN codes when searching for affected product, as the UPN numbers on the inner and outer labelling may be different. The product information listed on your specific Verification Form (enclosed with this letter) provides outer package product coding only** and should be utilized when reporting product to return.

Verify by product batch/lot number in product table to determine if the batch within your inventory is affected. If so, indicate on your Verification Form the quantity of units from each batch that you will be returning. **As the product within these batches are sold as 10 or 40-packs, it is important that all reported quantities represent the actual number of single unit being returned and not the number of cartons/boxes or multi-packs.**

Affected Product Listing

Product Description	Outer Package UPN #	Inner Package UPN #	GTIN	Lot/Batch #	Expiration Date
Captivator™ Snares	M00561291	M00561290	08714729645801	25170944, 25219286, 25368742, 25412118, 25508371	5-Feb-23 through 13-May-23
	M00561311	M00561310	08714729019251	25199777, 25330546, 25374640, 25424470	11-Feb-23 through 31-Mar-23

INSTRUCTIONS:

1- Please immediately discontinue use of the Boston Scientific product reported in the list and remove all of the affected units from your inventory, regardless of where these units are stored in your facility. Segregate the units in a secure place, pending return to Boston Scientific.

2- Please complete the attached Verification Form even if you do not have any product to return.

3- When completed, please return the Verification Form to your local Boston Scientific office for the attention of «Customer_Service_Fax_Number» on or before **27 July 2020**.

4- If you have products to return, please package them in an appropriate shipping box and **contact «Customer_Service_Tel» of your local Boston Scientific office**, to arrange return.

5- Please pass this notice to any healthcare professional from your organization that needs to be aware and to any organization where the potentially affected devices have been transferred (If appropriate). Please provide Boston Scientific with details of any affected devices that have been transferred to other organizations (if appropriate).

Your Competent Authority is being notified of this Field Safety Notice.

We regret any inconvenience that this action may cause, and we appreciate your understanding as we act to ensure patient safety and customer satisfaction.

If you have any questions or would like assistance with this Field Safety Notice, please contact your local Sales Representative.

Yours sincerely,

Attachment: Verification Form

Please Complete the form even if you do not have any affected product & send it to your Local Office:
