Date: 2013, September 6

**URGENT – MEDICAL DEVICE RECALL**  
**SBI rHead and uHead Sterile Packaged Stems**

Small Bone Innovations is ordering the return of all rHead and uHead stem implants due to an increased risk of implants breaching the sterile pouches inside the shrink wrapped box. This return is mandatory for all items listed on page two.

The product is to be shipped immediately to SBI International at the address below using SBI Intl UPS account # **4E1V43**.

**Products to be returned to SBI International, ZA Les Bruyères 019660 Péronnas - France**  
**recall reference: [CUSTOMER N°]/RNC3425**

Upon return of these products to SBI, the products will be credited to you, and will be re-packaged and re-sterilized immediately to be reallocated to the market as fast as possible.

Readily available implants will be returned to you, while implant banks for SBI's various rHead and uHead offerings will be also available through Customer Service as loaners until such time as sufficient levels of inventory have been repackaged. At that time, inventory will be fully re-deployed to the field.

Enclosed is a Product List document for you to complete, sign, and return with the products to SBI International. If product has been implanted there are no additional risks that have been identified other than those outlined in the package insert (Instructions for Use).

Thank you, in advance, for your cooperation.

Respectfully,

**URGENT – MEDICAL DEVICE RECALL – Sbi rHead and uHead Sterile Package Stems**

Products to be returned
