JJVC has voluntarily initiated this Action to assure that you receive the highest quality products. We received a limited number of reports of “stinging of the eyes” when the lens is inserted. Analysis of the solution confirmed that this was due to high solution salinity for the affected lots. We have taken corrective measures to help ensure this does not recur. No serious adverse events have been reported related to this issue.

The local competent authority has been informed of this Action.

Since you have received potentially affected product, please **take the following actions:**

1. **Review** your inventory and determine if you have **1-DAY ACUVUE® MOIST® lenses from the impacted lots: Lot 283683, and Lot 283684**
2. **STOP** using all **affected** product. You can continue to use all other lots not affected by this voluntary recall.
3. Please pass this notice on to anyone in your organization who needs to be aware of the issue and ensure that they maintain awareness as necessary.

4. **Contact** Customer Service at XXXXXXXXXXXXX to arrange return and replacement product.
5. **Complete** the enclosed Customer Reply Form and return via fax to XXXXXXXXX or via email to XXXXXXXX, **EVEN IF YOU HAVE NO INVENTORY REMAINING** affected by this recall, JJVC requires this information for reconciliation purposes with regulatory agencies.

As always, any ACUVUE® patient who has a complaint about the product is urged to stop using it and contact Johnson & Johnson Vision Customer Service, the store where the product was purchased, or their eye doctor immediately. If any user experiences persistent irritation, pain or redness, or a change in vision after removing the lens, they should contact their doctor immediately.

Our top priority is patient safety and we hold ourselves to high standards for product quality and customer satisfaction. We remain fully committed to serving our customers with safe and effective products. We recognize the inconvenience this causes you and appreciate your assistance in expediting return of the affected product.

Sincerely,
